## AT A GLANCE

Erie Basin Resource Conservation and Development (RC&D) is a regional organization governed by a local body, formed to improve the economy and environment of the area. Erie Basin RC&D is recognized by the Internal Revenue Service as a 501(c)3 organization receiving support from a member of County Commissioners, a Soil and Water board member, and a member at large from each of the ten counties. This council of 30 individuals determines the priorities of the staff.
